How to use this pack

This pack gives you six reusable agendas for the meetings most teams run every week. Print them at 8.5 x 11 inches or fill them in on screen.

Before the meeting

1. Pick the template that matches the meeting purpose.
2. Send the agenda to attendees at least 24 hours ahead so people can prepare.
3. Name one facilitator and one note taker.

During the meeting

Start on time and restate the goal in one sentence.

Keep a visible timer for each agenda item and park off-topic points in the Parking Lot box.

End five minutes early to confirm owners and due dates.

After the meeting

Share notes and action items within one business day.

Go over open actions at the beginning of the next meeting.
